#### Remarks

**Welcome to this lovely Ranch-Style Home with Mountain Views! This spacious 3 bedroom, 3 full bath home is nestled in a quiet, desirable neighborhood and sits on a generous lot with a large, scenic yard. Step inside to a welcoming foyer and a functional floor plan. Enjoy brand NEW laminate flooring in the foyer and freshly painted eat-in kitchen, and NEW carpet in the spacious living room, dining room, and hallway. The master suite includes a private full bath w/stone tile standing shower. Lower level offers an expansive family room with pellet stove and french doors that open to a large back deck, w/room for grilling and entertaining, offering seamless indoor-outdoor living. Other features include a laundry room, a third full bathroom, and an additional flexible space that can serve as a rec room, home office, gym, or even a 4th bedroom. Ample storage throughout. Attached 2 car garage with additional attic storage. This well-maintained home is the perfect blend of space, style, and setting. Move-in ready and waiting for**
